

# China blames the US HAARP Program For Catastrophic Earthquakes

June 1st, 2008

Russian Foreign Ministry reports are stating today the Prime Minister Putin's 'sudden' diplomatic trip to France was made at the behest of China's President Hu in order to 'warn' the European Union not to become involved with the US following what is widely expected to be a '**retaliatory strike**' against the United States, and who the Chinese military has blamed for the catastrophic May 12th earthquake that has killed nearly 90,000 human beings.

Chinese and Russian Military scientists, these reports say, are concurring with Canadian researcher, and former Asia-Pacific Bureau Chief of Forbes Magazine, Benjamin Fulford, who in a very disturbing video released from his Japanese offices to the American public, details how the United States attacked China by the firing of a 90 Million Volt Shockwave from the Americans High Frequency Active Auroral Research Program (HAARP) facilities in Alaska.

So powerful was this Shockwave, Britain's Times Online News Service is reporting that the entire atmosphere over the Chinese earthquake zone became mysteriously changed 30 minutes prior to the 8.0 Magnitude Trembler:

## **"Can clouds predict earthquakes?"**

YouTube has footage of strange multicoloured clouds seen just before the recent earthquake struck Sichuan province in China.

The first impression is of a rainbow smeared on to small scraps of clouds, a phenomenon best known in a circumzenithal halo. This is created when sunlight shines through cirrus clouds full of tiny hexagonal ice crystals shaped like plates. The crystals behave like glass prisms, splitting the light into a bow with the colours of the spectrum, often brighter than a rainbow.

But one puzzle is that the colours in the Chinese clouds were upside down from a normal circumzenithal halo – red pointing towards the horizon and blue towards the Sun, instead of the other way round."

Russian scientists are further speculating that the United States strike against China was 'exactly timed' to coincide with the **dangerous experiments ongoing at Large Hadron Collider** for the European Organization for Nuclear Research (CERN), and which we had previously reported on in our May 13th report titled "CERN 'Nailed Heart Of Earth' With China Quake, Chilean Volcano".

Russian Military Analysts note that though China's Military has ordered its vast submarine fleet to 'disperse' throughout the Pacific Ocean, the Chinese 'attack' against the United States would, most likely, take a form of economic warfare instead of an actual clashing of forces.

More disturbing, however, in these reports is China's urging of both Syria and Turkey not to allow more water into mighty rivers of the Euphrates and Tigris, which the Iraqis are warning are running dry due to the severe drought in that war-torn Nation.

The importance of this latest move by China is the newly signed Defense Pact signed between Iran and Syria which would allow Chinese Military Forces permission to use Iranian territory to come to the aid of Syria.

It should be further noted that the Christian Bibles New Testament Book of Revelations (Chapter 16, Verse 12) prophesied that the Euphrates will dry up in preparation for the Battle of Armageddon and would be crossed by an Eastern Army of 200 million soldiers, of which in our World today only China is able to field and have the ability to reach by land alone.

**Correction from Redsky** The above statement about The Book of Revelations is incorrect. The Army of 200 million and Armageddon are two separate events. The army of 200 million appears in Revelation Chapter 9 Verse 13-18 (The Sixth Trumpet) and not as stated above. The Army of 200 million is not the Chinese in fact it is not a literal army at all, it is a spiritual one. For more information [Click Here](#)

Armageddon takes place at the valley of Megiddo in northern Israel and appears in Revelation Chapter 16 Verse 12 (The Sixth Bowl). Israel is attacked by the "Kings of the east" the Moslem states which are Iran, Syria, Iraq, Jordan, Afghanistan, Pakistan, India, Bangladesh, Malaysia and Indonesia. This is not the army of 200 million or the Chinese who have never been an invasive people. To get a full understanding of end time events and get your free e book [Click Here](#).
